April 12, 2010

Dear Music Parents and Musicians,

We have registered our Band, Chorus, and Orchestra for the **Busch Gardens Performing Arts Consultants Festival** in Williamsburg, VA on:

Friday, MAY 21, 2010

This festival will include an adjudicated performance of our groups. Following the adjudication, our students and chaperones will have the opportunity to spend a good portion of the afternoon enjoying the amusement park.

The cost for each student to participate at this festival will be **\$105.00**.

This fee includes: entrance fee to the festival, adjudication by nationally known clinicians, coach bus transportation, and music department t-shirt and admission with unlimited rides in the amusement park.

The directors reserve the right to withdraw any student from participating because of failure to meet requirements respective to their band/choral/orchestra handbook expectations. Please note that if this is necessary, refunds may not be possible due to music festival payment deadlines.

To properly plan for this event, we will need a firm commitment from both students and parents. **Payment will be collected by:**

Friday, April 23, 2010

Cash or Checks should be made out to: **Stone MS**

We are excited about this trip and realize that it will take a great deal of hard work to make this a rewarding and memorable experience. Thank you for your continued enthusiasm and support of our first-rate music program at Stone Middle School.

Sincerely,

Robert J. Zazzara
Director of Bands
